

Quality Policy

CoorsTek is committed to delivering outstanding quality to our customers by meeting requirements on time, every time. Every employee works together to DRIVE quality in everything we do.

D

Deliver products and services on time to meet customer needs

R

Review all requirements to meet quality objectives

I

Improve continually to achieve operational excellence

V

Verify effectiveness of our performance

E

Embrace our vision, mission, and values to make our company the best

Environmental, Health, and Safety Policy

Conducting operations safely and in an environmentally responsible manner requires a diligent attitude and proactive steps. At CoorsTek, we believe ACTION is the key to achieving ZERO injuries or environmental incidents.

A C T I O N

Anticipate
potential hazards
and take action to
prevent them from
doing harm

Commit
to protecting yourself,
employees, and the
environment

Think
about the contributing
factors of injuries,
accidents, and illnesses
and learn from them

Initiate
continual process and
program improvements

Own it!
It is up to us
to prevent injuries,
illnesses, and pollution

Network
with others to share best
practices and elevate our
performance beyond
compliance
