

FOR IMMEDIATE RELEASE

CoorsTek Announces Change of Representative Director of Japanese Subsidiary

Tokyo | CoorsTek KK | November 1, 2022

CoorsTek KK (Tokyo, Japan) announced today that Takeshi Inaba, current Sr. Director Manufacturing, will be appointed as Representative Director of CoorsTek KK effective March 30, 2023, and will be named Vice President, Regional Manufacturing, Japan, effective April 1, 2023. Current Representative Director Yoshinaga Ikemoto will retire on March 30, 2023. Jonathan Coors will continue to serve as Representative Director and President.

Yoshinaga Ikemoto will retire from Sr. Accounting & Finance Director on December 31, 2022, prior to his retirement as Representative Director of the company. His successor will be Suguru Morishita, the current General Treasurer & Financial Reporting Director.

CoorsTek KK was established in May 1918. CoorsTek Group in Japan, including CoorsTek KK, has expanded into semiconductor-related fields, as well as electronics, machinery, automobiles, and medical fields. Headquartered in Shinagawa-ku, Tokyo, there are five production bases and three sales offices. Through synergies with the wide range of business fields of the global CoorsTek Group, the company provides solutions that lead to greater customer satisfaction.

CoorsTek KK will have a new organization and aim to further expand its business.
